Yup, my thoughts too.

Thanks, so the second example would likely fall under the administratively continued permit provision in 233.38.

I think we, EPA, are on the same page. I said that:

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Hope this clarifies and we can talk tomorrow am. Or later today if you want.

She had Ed Smith, who I work with on Everglades, on the phone to explain how this process works in Florida, so we can better understand what Florida is proposing for the NW. Heather mentioned that she had been talking to you about the multiphase, longer than 5 year projects, and how they can seek reauthorization for the next phase with limited review if nothing has changed. I am sure she was paraphrasing, but Rosemary, Matt and I would like to discuss this in more detail with you.

I'd like to have this listed if it is an issue, even if we don't have resolution/path forward yet. - I will send you the briefing as soon as I get input from my mgt. They switched the format and presentation on me. - Kathy
